Target version:			**Spent time:**	13.00 hours

Description

Could you please add the link with dropdown options for PRN labs at the bottom of ANV2 which says "USE THIS LINK TO ADD MORE PRN LABS FOR THIS VISIT"? We need to add this soon as we will be having women coming for ANV2 and requiring one of the PRN labs. Thanks!

Subtasks:

Documentation # 3625: Request to add labs on PRN menu//Viral load appearing on all visits	**Closed**
Data Fix # 3500: PRN LABS	**Closed**
