

Bhp085:-TshiloDikotla - Bug #4351

Change # 4300 (Closed): Add SRHServices CRF from Microbiome to Tshilo Dikotla

inability to complete SRH CRF

19/10/2018 15:38 - Keolebogile Nicholas Mmasa

Status:	Closed	Start date:	19/10/2018
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
There is an error that pops up : 403 forbidden, when we try to complete the SRH form. This was previously UAT'd and was working For this query, we tried at 2020 visits. E.G PID 207, PID 211 PID 472. See attached			

History

#1 - 19/10/2018 15:39 - Leslie Kapaletswe

- Status changed from New to Resolved

Permissions issue on the new form. Resolved.

#2 - 22/10/2018 12:11 - Samuel Wilson Kgole

- File Add Maternal SRH Services 356-3.pdf added

- Status changed from Resolved to Feedback

see attached PDF of completed unsaved form. There is an error message saying "If participant answered I have not yet sought the clinic, the questionnaire is complete." YET we completed or answered the questions.

#3 - 24/10/2018 15:13 - Leslie Kapaletswe

Edit Validation message to "If Q3 is No all Questions after Question 4 must None or Blank. "

#4 - 25/10/2018 17:11 - Leslie Kapaletswe

- Status changed from Feedback to Resolved

#5 - 31/10/2018 11:40 - Keolebogile Nicholas Mmasa

- Status changed from Resolved to Closed

Validation message to "If Q3 is No all Questions after Question 4 must None or Blank. "

working well.How about adding "be" between MUST and NONE? to read: >>>>must BE None or blank
