- File Redmine 4686_Karabo TB History Form Q18-19 Stem_2019.06.18.pdf added
- Status changed from New to Closed

TB history form UAT'ed by TD team and closed. I'm attaching the screenshot of the CRF with the confirmed "stem" change for Q19 (previously Q18) for PID-71-0-10, which was completed on 17-Jun-19.

Q19 re-worded to: "If yes to question 18, please comment on the nature of the exposure."
