<b>Description</b>			
<p>Discussed this with Tumie, we have realised that some PIDs are missing 2000 visit data under their schedules, INCLUDING THE VISIT REPORT but when we go to admin&gt;&gt;&gt;Flourish caregiver&gt;&gt;&gt; and search per individual CRF, we found that the data exist.</p> <p>Examples of PIDs with that issue are; 0065-0,0056,0077</p> <p>N;B clinic team to note once the issue is resolved, we still have maternal ODK copies to be scanned for the above 3 PIDs.</p>
