Description			
<p>Please use the EDC spec document and the attached screen shots of the EDC Spec document to add a question about pregnancy on the clinical measurement CRFs. For the child/adolescent CRF, this question must only be asked for child participants who are female and equal or greater than 12 years of age.</p> <p>If pregnant, waist and hip circumference is not required.</p>			

History

#1 - 23/11/2021 17:35 - Sara Schenkel

- Estimated time set to 1.00

Also add skinfold measurements to child CRF but do not require them to save the form as complete. See screenshot and EDC spec doc
