

BHP150 | AZD 1222 - Bug #6477
FAILURE

06/10/2022 16:25 - Isabella Phakedi

Status:	Closed	Start date:	06/10/2022
Priority:	Urgent	Due date:	
Assignee:	Samuel Kabelo	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
When trying to save vaciination date for PID No 150-044960728-0 server 500 pops up			
Vaccination not keyed on special form but appears under consent for the PID's			
-150-044960970-8			
-150-44961070-6			
-150-044961110-0			
-150-044961311-4			
When opening special form PID does not appear making it difficult to update			
Participant of PID no 150-044961070 was on day and not vaccinated on same date but on a later whic was supposed to be an interim visit
