New ANC- 1. Intention not to breastfeed is no longer an exclusion criteria

2. Validation error message blocking to add ANC screening..Screenshot attached

Re-consenting

1. for all re-consenting consent should be autofilled, currently it doesn't come pre-filled e.g 0350-6
2. siblings after re-consenting duplicate the same PID e.g PID 0749-9-10 and 0749-9-60, they come duplicated as 0749-9-10.
3. consent version button make it orange(new) then green after filled.

Hi team - see attached all the details of the recent amendment.

In addition we will need to add a new visit for mothers and infants who consented into the ultrasound visit to allow for two additional requisitions at this visit - breastmilk from mom and fecal from baby. This will be at the 6 month age of the infant.

We are waiting on Kate for the coding of this visit.
