Description			
Please can you de-link the maternal off study from FLOURISH, right now they are linked-see attached screenshot.			
Taking a maternal participant OFF TB study SHOULD NOT take them off FLOURISH study			

History

#1 - 13/05/2025 20:12 - Gosego Masasa

- Subject changed from De-link maternal TB Off study from FLOURISH schedules to Remove the validation- maternal TB Off study (seems to link off study date to FLOURISH schedules)

When reviewing with Ame it seems off study form is not linked to FLOURISH schedules but Ame has agreed that they would work on removing this validation.

#2 - 20/05/2025 13:16 - Ame Diphoko
